

The yeti project was first started in 1998 and has met many times since then, there are many different country's involved with the yeti project

The first countries that started to get involved were:

- Czech Republic
- Denmark
- France
- Germany
- Liechtenstein
- Poland
- Sweden
- And England

All of the countries try to meet together as one big group and also try to visit another country so that we all keep in touch with one and other. We hope that you enjoy the rest of this brochure below you will see that there is a list of the countries that are now involved with the yeti project:

- England
- Germany
- Liechtenstein
- Poland
- Portugal
- Belgium
- France
- Czech

2001

"...we are a group of 2 boys and 4 girls from Belgium the pact where we speak German. Our Aims and hopes are to have a lot of fun and meet other young people from Europe. So this is another experience for us..."

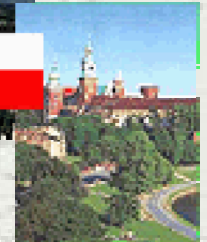

"... in our group are just three boys which live in Langen. We all are 16 or 17 years old. We hope that we learn with yeti about people of other countries ..."

"... we are a youth group from Lapa, in Portugal. Volunteer young people working with and for other young people in the borough, developing initiatives such as exhibitions, language courses, youth exchanges, and other..."

"... we are two girls and two boys in our group that live in Prague. We like to chat with youth people from other countries in the internet. In summer 2000 we host the Prague Internet World (PIW) ..."

"...in 1999 we were the hosts of the Yeti meeting in Cracow. We love meeting new people, visiting countries, working with computers gives us a lot of fun as well..."

"... we are all interested in communicating with other Ethnic origins. That is why we all decided that the yeti project would be a good opportunity and experience. We hope to make a lot of new friends and keep in contact by using the Internet..."

"...our aims are, to meet new people and make friendships. So we can expand our Computer knowledge too. Also we want to visit the other groups. In our group we have two girls and six boys..."

"...we are friends from Carcassonne. During the last year, we have made a website (www.roudel.org) included in the YETI project. The YETI project is a gate to the future ..."
